Our Work.

OUR CHURCH WORK

during 1903 was characterized by great spiritual interest and financial prosperity. Seventy-seven were added to the membership, the largest number yet recorded, and the largest reported in the State for the year. The mortgage was burned in July, leaving our property, valued at over \$42,000, free from all incumbrance. Two hundred and eighty-four contributors by the Weekly Offering envelopes were pledged to give a total of \$97.05 weekly, or \$5,046.60 for the year.

OUR SCHOOL

year was marked by the baptism of thirty-six members, the twenty-fifth anniversary of our Superintendent, and the lamented death of our faithful Secretary. The membership is 700; average attendance for 52 Sundays, 375; smallest attendance, 102; largest, 640.

The membership of

THE INSTITUTE

reached its highest point, a total of 383, and in all departments harmony and progress obtained. A goodly number of the active workers in the Institute have become members of the church during the year.

The reorganization of the

MEN'S CLUB

is evidence of progress. The club provides a common basis of fellowship for all the men of the community.

Under the direction of the

WOMAN'S SOCIETY

fifteen meetings have been held, and two barrels, filled with supplies, sent to the Southern schools. An unusual interest in foreign missions centers about the work of Mr. and Mrs. Warburton in Kayin, China.

CHRISTIAN ENDEAVOR

has united the Young People's and Intermediate societies and has continued faithfully in its various ministries. Several

OTHER ORGANIZATIONS

are deserving of special mention, as the Calvary Club, the Farther Lights, the King's Daughters and the Charlotte Blundell and Manchester Classes. In these, or some other of the seventy-five possible relations to the manifold work of the church, every member of the parish should be enrolled.
